Student Registration: \$20.00 – Note: Students must be currently registered in a curriculum leading to a career in Forensic Science to qualify. This fee **ONLY** covers the Thursday breakfast and plenary session as well as the Friday breakfast and breakout sessions. This fee does not include the banquet.

Workshops

ASTEE/SAFS		Non-Mem	ber		
Tuesday, April 30, 2019					
To Find a Needle in a Haystack, It Helps If You Know Where to Look	-1				
The Challenges of Drug-Facilitated Sexual Assault Investigation					
(8:00-12:00)	\$125	\$175	\$		
GCMS Fundamentals of Troubleshooting and Maintenance					
(8:00-5:00)	\$250	\$300	\$		
Fentanyl and Other Synthetics: Synthesis, Prevalence, and Unique Tre	ends				
(8:00-5:00)	\$250	\$300	\$		
Elements of Statistical Inference (8:00-5:00)	\$250	\$300	\$		
Forensic Wood Examination (Tuesday and Wednesday)	\$400	\$450	\$		
The Forensic Analyzing of Knots and Ligatures					
(Tuesday and Wednesday)	\$400	\$450	\$		
Not Just Surviving the Trial: How to Prepare for and Provide Effective	e				
	\$125	\$175	\$		
Courtroom Testimony (8:00-12:00)	7				
Courtroom Testimony (8:00-12:00) Why Manage Employees When You Can Lead a Team (1:00-5:00)	\$125	\$175	\$		
Why Manage Employees When You Can Lead a Team (1:00-5:00) Wednesday, May 1, 2019 Working with Millennials in the #MeToo Age (8:00-12:00)		\$175	\$ \$		
Why Manage Employees When You Can Lead a Team (1:00-5:00) Wednesday, May 1, 2019	\$125		\$ \$ \$		
Why Manage Employees When You Can Lead a Team (1:00-5:00) Wednesday, May 1, 2019 Working with Millennials in the #MeToo Age (8:00-12:00) Forensic Lamp Analysis (1:00-5:00) Emerging Cell Separation Techniques for Sexual Assaults (8:00-5:00)	\$125 \$125 \$125 \$250	\$175	\$ \$ \$ \$		
Why Manage Employees When You Can Lead a Team (1:00-5:00) Wednesday, May 1, 2019 Working with Millennials in the #MeToo Age (8:00-12:00) Forensic Lamp Analysis (1:00-5:00) Emerging Cell Separation Techniques for Sexual Assaults (8:00-5:00) Combining a Theoretical and Practical Approach to Method Developm and Validation in a Forensic Drug Chemistry Laboratory	\$125 \$125 \$125 \$125 enent	\$175 \$175 \$300	\$ \$ \$ \$		
Why Manage Employees When You Can Lead a Team (1:00-5:00) Wednesday, May 1, 2019 Working with Millennials in the #MeToo Age (8:00-12:00) Forensic Lamp Analysis (1:00-5:00) Emerging Cell Separation Techniques for Sexual Assaults (8:00-5:00) Combining a Theoretical and Practical Approach to Method Developm and Validation in a Forensic Drug Chemistry Laboratory (8:00-12:00)	\$125 \$125 \$125 \$250 ment \$125	\$175 \$175	\$ \$ \$ \$ \$		
Why Manage Employees When You Can Lead a Team (1:00-5:00) Wednesday, May 1, 2019 Working with Millennials in the #MeToo Age (8:00-12:00) Forensic Lamp Analysis (1:00-5:00) Emerging Cell Separation Techniques for Sexual Assaults (8:00-5:00) Combining a Theoretical and Practical Approach to Method Developm and Validation in a Forensic Drug Chemistry Laboratory (8:00-12:00) Comparison of Vapor Phase Infrared and Mass Spectral Methods for the second s	\$125 \$125 \$125 \$250 ment \$125	\$175 \$175 \$300 \$175	\$ \$ \$ \$ \$
